**Take a look at the highlights of this fantastic trip.**

Get ready to experience Canada's true wilderness. **Sentiers Prives** takes you to the most beautiful and remote luxury lodges in Western Canada.

## Chilko Experience - 3 nights

Lost in the middle of British Columbia, The Chilko experience Lodge starts with a breathtaking flight from Vancouver over the glaciers and lakes.

Surrounded by acres of forest and the magnificent mountains of the coastal range, the log lodge is a 5-minute drive from the beautiful Chilko Lake.

This is the largest glacial lake in British Columbia with its 65km long body of turquoise water.

### **Your program :**

Choose between activities : horseback riding, fishing, quad biking, kayaking, archery, photography or even bear watching (during the salmon rush season).

# Clayoquot Wilderness - 3 nights

Leave behind the city to reconnect with nature in the beauty of Clayoquot Wilderness Resort in Canada.

The experience starts with your seaplane or boat transfer to the resort in just an hour and 15 minutes flight from Vancouver or boat ride from Tofino.

The surroundings here are just breathtaking, the rainforest is home to rare species and cedars tree over 1,000 years old.

The large tents of this eco-lodge furnished with antiques and soft carpets, are extremely comfortable and complete this idyllic picture.

## **Your program :**

Whale and bear watching, climbing, tree climbing, archery, fishing or horseback riding, the program is varied and decided each evening according to everyone's desires, tides and weather. A private guide is provided for each family at all times.

Hawaii offers incredible diversity and natural heritage. Be ready for a total change of scenery with beautiful beaches and turquoise waters, surf culture, aloha spirit traditions and volcanic landscapes. The diversity of Hawaiian culture is expressed through language, music, art, theatre, dance, film, cuisine and a multitude of festivals. Everywhere on the island, the spirit of Aloha prevails...

## Big Island (Kailua Kona) – 4 nights

Big Island, as the name suggests, is the largest of the islands. On its own, it is as big as all the others put together. Yet it contains only 15% of the population.

It is home to at least two volcanoes in constant activity. Given its climate and altitudes, the island, which is actually called Hawaii, contains 11 of the 13 known climate zones in the world!

### **Your program :**

Helicopter tour of the island, 4x4 excursion through the Kohala countryside, discovery of the Kona Valley Coffee Plantations

## Lanai – 2 nights

Hawaii's smallest inhabited island, Lanai, offers great attractions to its visitors. From luxury services and amenities to rugged roads that take you off the beaten tracks.

**Your program :** Hikes to secluded beaches, hotel spa, day aboard a catamaran to sail across to the Maui Island.

## Maui – 3 nights

Maui, is the second largest Hawaiian island. The island is popular for its world-renowned beaches, the sacred Iao Valley, the whale winter migration, farm food and the magnificent Haléakala sunrise and sunset.

**Your program :** Snorkelling, Hiking, discovery of the Iao Valley, ascent of the Haléakala volcano

## Honolulu – 3 nights

Oahu, is the third largest Hawaiian island home to the majority of Hawaii's population, a fusion of Eastern and Western cultures rooted in the values and traditions of the Native Hawaiian people.

**Your program :** Discover the city of Honolulu and its beach of Waikiki Beach, guided tour by Jeep to discover the north coast of the island.
