THE LODGES

Sentiers Privés has selected for you a handful of luxurious villas, here are some of them.

Tweedsmuir Park Lodge : THE ULTIMATE WILDERNESS RETREAT

Our flagship location set on 60 acres of private property in The **Great Bear Rainforest**.

Guests stay in beautiful timber-frame chalets with the heli pad right out front ! The property sits on the banks of the pristine Atnarko River, where guests can fly-fish when they are not skiing.

Most of the time guests board the helicopter right outside their chalets, so we will drive to a helicopter staging area to access the best snow !

Group size : Usually just 2 groups of 4 people per helicopter in High Season and 3 groups of 4 people in Low Season.

Program at Tweedsmuir - **7 night Vertical (regular) heli-skiing** in High Season. Shorter stays available in Early or Late Season

Pantheon Heli Ranch : THE MOST UNIQUE HELI LODGE IN CANADA

Our Pantheon and Mystery Mountain operations are extremely unique in the Canadian heli-skiing industry in that you can regularly do first descents !

Yes, ski terrain that has NEVER been skied...amongst the largest peaks in British Columbia !

Pantheon also offers the longest vertical in Canada with runs up to 6,000ft !

Have exclusive use of the whole Pantheon operation with your own group of up to 9 people !

The lodge, guides and helicopter are for the exclusive use of your group !

Note: you don't need to form a group of 8 to book this location...we can find others with similar ability levels to take the other seats.

Mystery Mountain Lodge

Our most Private offering! It's so new, we've only just added it to our website !

A Private experience where we host just 5 guests at Mystery Mountain Lodge.

Explore deep into our 3,250,000 acres of exclusive terrain and ski where we have never skied before! This part of our terrain contains the biggest mountains in British Columbia.

Additionally, some of the best runs are extremely close to the lodge, therefore keeping flying time to a minimum.

Each guest gets their own private room (1 room has an ensuite, the other 3 people share 2 washrooms).

Eagle Lodge

Just minutes from the Bella Coola Airport, Eagle Lodge is the most accessible of all our locations, and the skiing is just as spectacular.

It was recently renovated and a bunch of spacious rooms were added, as well as the all important outdoor hot tub with mountain views!

It's just a quick 5 minute flight to our closest runs, ensuring you spend more time skiing than flying around.

Our easy accessibility :

Most heliskiing lodges require long bus rides to get there. To get to us, it is only a 70 minute flight from Vancouver and we often ski right from the airport on arrival day !
