SUMMER ESCAPADES

WHERE TO GO THIS SUMMER

WRITTEN BY ALBERT FRANCO

What is now California was first settled by various Native American tribes before being explored by a number of European expeditions during the 16th and 17th centuries. It was then claimed by the Spanish Empire as part of Alta California in the larger territory of New Spain. Alta California became a part of Mexico in 1821 following its successful war for

independence, but was ceded to the United States in 1848 after the Mexican-American War. The western portion of Alta California was organised as the State of California, which was admitted as the 31st state on September 9, 1850. The California Gold Rush starting in 1848 led to dramatic social and demographic changes..
