

ROCKY MOUNTAINEER - LUXURY ON WHEELS -

ROCKY MOUNTAINEER

CANADAS ROCKIES

AMAZING ROUTES

ALL ABOARD

Canada Western tourism started **over 150 years ago**, thanks to the train. No surprise rail travel has become a Canadian staple when it comes to travel.

Canada is such a wide country it is hard to travel the distance without missing out on **scenery**, well, this train does it for you; embark on a journey across **the Rockies**, the interior of **British Columbia** all the way to Vancouver from the **comfort** of your seat, enjoying **gourmet food** and drinks.

EXPERIENCE THE
UNFORGETTABLE :

7 MOUNTAINS RANGE
4 ICONS ROUTES
1 MEMORABLE JOURNEY

Unbelievable experience

The Rocky Mountaineer is all about the experience and **Sentiers Prives** is happy to vouch for the quality of the product. Through and through, this service is the best that Canadian railway has to offer.

The staff is genuine and the training is ongoing, the gourmet food, prepared by world class chef is to die for, the comfort of the car and the size of the windows are incredible and of course, the scenery that unfolds before your eyes is breathtaking.

Sentiers Prives makes life better

Booking with **Sentiers Prives** makes your life easy ; we guarantee a discounted rate and exclusive add-ons like suite with a view and dinner in Kamloops!

Not to mention, we are here to advise and coordinate the rest of the trip.

Possibilities are infinite ; combine your train journey with a exclusive cruise into the inside passage or a private guide tour in the Rockies as well as on the coast.

Gold Leaf service

We warmly recommend to upgrade your experience to **Gold leaf service.**

Custom-designed bi-level dome lets you sit up top and dine down below, Fully domed windows with panoramic views upstairs, Gourmet à la carte meals served in a private dining room with large picture windows on the lower level, Reclining, comfortable pre-assigned seating and so much more!

Check-out the journey aboard Gold leaf cart [here](#).

First Passage to the West

There are multiple routes available but the most popular one is First Passage to the west. Travel through Canada's stunning Rocky Mountains, alongside the powerful Kicking Horse River, and pass by monumental landmarks from the early days of the National Railway.

This legendary route along the Canadian Pacific track is famous for uniting the country and connecting British Columbia to Canada over 125 years ago.
