

## Live the desert, discover the desert

### TRIP TO THE DESERT OVERNIGHTING IN A KHAIMA AMONG DUNES

#### DESCRIPTION

The best way to enjoy the **desert adventure** is sleeping among the Erg Chebbi dunes, the largest dune field in Morocco. The camel caravan, led by an expert Berber, will leave at late afternoon from the **Kanz Erremal Hotel** and will go over more than one hour until we reach the sunset.

The khaimas are set in a chosen point among the dunes, which allows the absolute group loneliness. Once arrived, the guide will prepare a traditional mint tea. Afterward, we will fancy the dinner: simple but tasty, a great example of local cuisine around the fire. At night, we will live the experience of remaining in silence under the starriest sky we have ever seen.

At morning, before the sunrise, we will have a tea and come back to the Hotel, where showers and a good breakfast will be available.

We will walk off two hours before the sunrise or the sunset. In order to know the exactly sun time, visit the following website.
