Auberge Le Papillon Sauvage

is a magnificent country inn located at the south entrance of Sainte-Adèle and within five minutes of factory outlets of Saint-Sauveur - quaint tourist towns in the scenic region of the Laurentians. Neighbour to reputable Nordic spas of the Laurentians!

Bordering the clear waters of Simon River, Le Papillon Sauvage offers its guests a butterfly theme and splendid rooms with private bathroom in a haven ideal for romance, rest and relaxation.

Our country inn adopted the bed and breakfast concept - a full breakfast prepared with fresh fruit and local produce is served every morning.

5-Course dinner in our relaxed and charming dining room is offered on Saturdays with reservation.

During the summer season, enjoy our magnificent outdoor terrace and observatory looking down the river.

Guests are welcome to enjoy our heated in-ground pool (seasonal), 4-season spa and sauna available in the tranquility and nature setting of the Laurentians.

Weekend packages including "table d'hôtes" dinner and spa are available. Also, we can host groups of 60 people or more for your family dinner/reception (birthday celebration, wedding, etc.) or business function (retirement party, meeting, Holiday Season festivities etc.)
